Growth Marketing, Digital Strategy & Technology

Acquisition & performance · Analytics & measurement · Web, UX & e-commerce · Design · AI & automation

Profile

Multidisciplinary digital professional with 10+ years in growth marketing, digital strategy and technology for U.S. and international brands.

Experienced across paid acquisition on Meta, Google, TikTok and Amazon; analytics, tracking and attribution; e-commerce, UX and SEO on Shopify and WordPress; and creative direction rooted in visual communication design. I work daily with generative AI, AI-assisted development and workflow automation.

Focused on business performance: customer acquisition, conversion, CPA, ROAS and marketing efficiency. Currently independent, working with U.S. brands in regulated advertising categories and with e-commerce and digital-services businesses.

Independent Growth & Performance Marketing Specialist

Freelance practice U.S. and international clients

Meta media buying for U.S. brands in regulated advertising categories through an agency partnership, alongside direct projects in web, e-commerce, SEO, analytics and growth.

REGULATED INDUSTRIES — META ADVERTISING FOR U.S. BRANDS

- Build, launch and optimize Meta Ads campaigns for U.S. brands operating in highly regulated and restricted advertising categories, where advertising policy and compliance considerations shape every campaign decision.
- Define campaign architecture and account structure across prospecting and retargeting, including audience segmentation, remarketing and lookalike audiences, and creative testing.
- Run product catalog advertising and maintain the product catalogs behind it.
- Manage budgets, pacing and bidding, and analyze performance across attribution windows to guide optimization decisions.
- Troubleshoot rejected ads, delivery issues and account restrictions within platform policy, balancing performance with account stability, and maintain reliable tracking across Meta Pixel and Conversions API.
- Report weekly on performance and work with account managers, technical specialists and the media-buying team on priorities, launches and campaign rebuilds.

DIRECT CLIENTS — WEB, E-COMMERCE, SEO AND GROWTH

- **Pet supplement e-commerce brand.** Built the Shopify store and moved the brand's domain from Squarespace to Shopify while keeping company email running; configured product and variant structure, shipping, currency and cart.
- Redesigned product pages and the variant selection experience (UX/UI) and resolved theme and cart issues to keep the purchase path clean.
- Connected sales and fulfillment: Meta Pixel, Facebook & Instagram shop and product catalog for catalog advertising, and Amazon Multi-Channel Fulfillment for automated order fulfillment.
- Created social and educational content within NASC labeling and claims rules for animal supplements, using AI-generated visual concepts.
- **Multi-location U.S. tax preparation firm.** SEO audit and implementation across four location pages (on-page optimization, duplicate-content resolution, FAQ page with schema markup), with multi-period GA4 and Google Search Console analysis and client reporting.
- **Across direct clients.** WordPress site management, landing pages and lead-generation flows, GA4 and tracking implementation, Meta and Google Ads, marketing automation and CRM workflows, and multilingual marketing in English, Spanish and French.

Growth Manager

Snyder Media Group U.S. performance marketing agency

Managed paid acquisition for U.S. clients in wellness, home water treatment and luxury home design, each built around a different lead-generation model.

- **Hippocrates Wellness Center** (West Palm Beach, FL), an internationally recognized holistic health retreat: paid search and paid social for high-intent wellness audiences, generating qualified leads for high-ticket residential programs.
- **Hydrality,** a certified whole-home water filtration brand: Meta and Google campaigns generating leads for free in-home water tests.
- **Maison & Co,** luxury kitchen, bath, plumbing and lighting showrooms in Miami, Naples and West Palm Beach: B2C targeting of high-net-worth homeowners combined with B2B targeting of interior designers to drive showroom appointments.
- Built full-funnel strategies across Google Ads (Search, Display, Performance Max) and Meta Ads: keyword and search-intent research, audience targeting, bidding, A/B testing and creative iteration to improve ROAS and CPL.
- Implemented conversion tracking with Google Tag Manager, GA4, Meta Pixel and LinkedIn Insight Tag, and built automated lead-generation funnels and CRM workflows in GoHighLevel.
- Reported results to clients and agency leadership against lead and sales goals, and contributed positioning and outbound campaigns to the agency's own new business.
